### **Martha Deichler and Dennis Parker with the Garden program for the Borrego Springs Elementary School**

It is always a pleasure to have Martha Deichler, principal at the Borrego Springs Elementary School stop by to see what she has been up to. This time she brought along three students, Abby Fuesler, Leslie and Lessa Garcia who are all members of the newly formed garden club. The goal, with the help of Rotarians will be to create a large garden on school grounds for our children to interact with from a variety of aspects. This includes actual construction of the garden, planting and nurturing the garden, as well as harvesting with the intention of re opening the salad bar in the school and possibly sell vegetables at the circle on Friday's with other vendors. This project is something that Martha under took over in Chula Vista where she last worked and it was a huge success. Of course these things cost money and require a lot of hands to put this together which is where we come into play. On APRIL 28th this will be our Rotarians at Work Day, so mark it on your calendars. Dennis Parker is the lead on this project through our club so be prepared to sign up for assistance on this.

### **MEETING ANNOUNCEMENTS: 1/31/07**

Charlie Lusk was awarded an HONORARY MEMBERSHIP today for his work over the past 30 plus years in Rotary. Charlie has stood for what we all would like to accomplish when it comes to volunteering and servicing the community. Charlie was overwhelmed by the gesture which was duly deserved. We hope Charlie is with us for many years to come to continue to show people what it really means to be a Rotarian. Way to go Charlie.
